

IML VIEWPOINT PREMIUM

FACT SHEET

A Premium Upgrade to Your Presentation

As easy to use as IML ViewPoint Express, IML ViewPoint Premium includes all of the following:

Quiz Scoring and Scoreboards

Track knowledge retention, certify or invite a little friendly competition to your meeting. IML ViewPoint Premium allows you to create scoreboards in seconds. Then, use PowerPoint to style and animate your scoreboards to fit your meeting theme.

User Registration and Tracking

IML ViewPoint Premium includes easy user tracking and registration. You can create or import a list of all your attendees to track participation over time and ensure each individual is meeting your key objectives.

Multi-Answer and Ranking Questions

Audiences may vote for as many choices as they like where answers are of equal importance. You can also let your audience collaborate in key business decisions by ranking their highest priority choices.

Free to Distribute License

IML ViewPoint Premium is completely free to distribute. As long as you have a registered IML Click receiver, anyone in your group can enjoy the benefits of IML ViewPoint Premium and IML Clicks.
