

# QUIZZES

## FACT SHEET

## A fun and exciting way to motivate and entertain your audience.

Ideal for use in any meeting environment, an interactive quiz will have your audience gripped.

Watch excitement grow as your quiz gains momentum, generating a lively and competitive atmosphere amongst enthused contestants.

Scoreboards can be displayed immediately after each question or round, to fuel competition and motivate contestants.

Add to the fun with TV game show themes, buzzers, countdown clocks, sound effects, video clips and graphics.

### **MOTIVATE AND CHALLENGE**

Challenging quizzes will transform your audience from passive observers into enthusiastic contestants, determined to beat the competition.

### **ENHANCE LEARNING**

Proven to enhance knowledge retention, quizzes ensure participants remain fully engaged and interested in the information presented to them.

### **MONITOR PERFORMANCE**

A fast and easy way to assess participants, quizzes enable you to generate individual results instantly, significantly reducing time spent on administration.

### **ENCOURAGE TEAMWORK**

Quizzes encourage teamwork and boost morale amongst team members working together to win points against their competitors.

### **ENTERTAIN**

Whether you need to enliven the content of corporate conferences, training sessions or entertaining social events, exciting quizzes will captivate your entire audience.

### **CUSTOMISED FOR YOU**

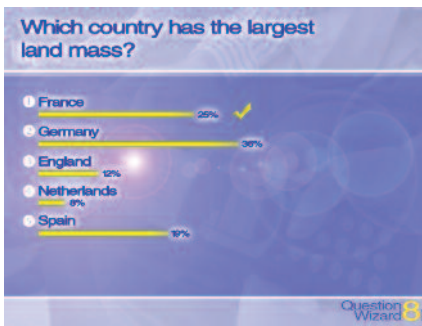

Countdown clocks, scoreboards and animations can be custom designed to enhance the theme of your event.

# QUIZZES

## QUESTION FORMATS

Use basic question formats, such as multiple choice to test knowledge levels.

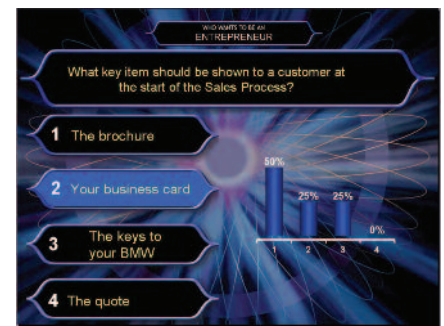

## TEXT MESSAGING

Add variety to your quiz by getting contestants to text in their answers.

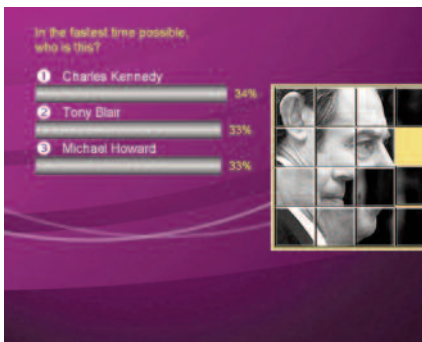

Incorrect answers are often highly entertaining and can be displayed live to your audience for extra laughs!

\* Simulated screen

## TV GAME SHOW STYLE QUIZZES

TV game show style quizzes are popular amongst audiences and add to the fun.

## PICTURE REVEALS

Picture rounds are great fun and guarantee to add energy and excitement to any quiz.

## SCOREBOARDS

Display individual and/or team results on scoreboards that can be designed to match the theme of your event.

## STORED RESPONSE

Send contestants off on fact finding missions. Stored Response rounds enable contestants to get up out of their seats and answer questions in different locations.

**IML offers an extensive range of interactive quizzes. For more ideas and information, please contact us and talk to an experienced Account Manager.**
